

Misson Primary School

You already have your wings, we will help you fly

Dear Parents and Carers

Re: New Uniform

From the 1st June our new logo is being added to any uniform items bought from PMG Schoolwear.

However, as I mentioned in a previous letter, we fully understand a number of parents will still have uniform displaying our current badge and this is not something I am asking you to replace. With this in mind, we now have all the remaining stock in school which we will be selling at half price. The sizes are limited but there is the chance to grab yourselves a bargain.

If you would like to enquire about purchasing any items of uniform with the old logo on please e-mail me at office@misson.notts.sch.uk and I can check the availability for you.

Kind regards

Mrs Mitchell

Office Manager
