

Misson Primary School

You already have your wings, we will help you fly

Dear Parents

I'm very excited to be writing to you about a new musical project at school that all children can take part in.

It was with great pleasure that the amazing Mrs Ethelstone wrote the school their very own song last year - "Spread Your Wings and Fly" - which the children have been enjoying singing in assemblies.

Now, the school has the chance to have their performance of the song professionally recorded. There will even be an opportunity to distribute the track online and/or sell hard copies to raise funds for the school.

After the half term break, a recording engineer from Supernova Studios in Armthorpe will be coming into school to record the whole school performing their song. We hope the children will really give it their all and thoroughly enjoy the experience!

Excitingly, the backing track will have already been recorded, mastered and mixed in the recording studio at Armthorpe by our very own music club.

The children are already extremely excited and I hope will enjoy practicing the song over the next few weeks so they can really shine on the big day!

If you have any questions please feel free to ask me or Mrs Ethelstone. We will be getting everything organised in the run-up to the event and will let you know when the recording date is finalised.

Once again thank you to everyone who is supporting music at Misson, through your generosity and encouragement.

I would also like to take this opportunity to thank Mrs Ethelstone for all the amazing work and commitment she is providing for our talented children.

Thank you for your continual support.

Mrs Mitchell
Office Manager
