

Monday 16th June

Dear Parents/Carers,

As part of our KS1 Design and Technology unit 'Design a Pizza', we will be visiting Pizza Express on Wednesday 2nd July. This will be morning only (9.30am-11am).

Children will learn where the ingredients are from, design, make and taste their own pizzas. If there are any allergies that we are not aware of please speak to Miss Eade or Mrs Dixon.

To keep the cost of this wonderful trip to a minimum we are asking that you drop your child off/ stay and help at Pizza Express, Doncaster, DN4 7NW. If we were to use a coach this would be approximately £700, making the trip very costly.

Staff will meet you at the entrance of Pizza Express between 9:15-9:30am (allowing parents to drop any siblings off at school first). The children will have lunch back at school. Please collect your child from Pizza Express at 11am – allowing time for you to return to school. We advise that the children wear their school uniform.

The cost of the session is FREE per child. We are really excited and hope you will check photos we share on the school social media accounts, to enjoy the experience with us!

If you are struggling to make arrangements for the day, please speak to a member of staff and we will endeavour to help. It would be really helpful if we arrange a few available parents to drive and help at Pizza Express. If you are available to drive or drive and stay, please message Miss Eade on Dojo with how many spaces in your car you have available.

Thank you for all your support,

Miss Eade
