

Misson Primary School

You already have your wings, we will help you fly

Dear Parents & Carers

As we come to the end of another busy term, I would like to thank the children for working hard over the last few weeks. I would also like to thank the staff for all they do to help the children learn, in a safe caring environment. I have a few updates to share with you below.

I am pleased to announce that we will be welcoming back Mrs Reynolds as our school special educational needs coordinator from 1 April. Mrs Reynolds previously held this post until January 2024, and I am sure some of you will have worked with her in the past. She brings with her many years' experience working in both Doncaster and Nottinghamshire schools. Mrs Reynolds can be contacted by email senco@misson.notts.sch.uk

We will also be welcoming our new school Chef Stacey Whiteley who starts with us on 13 April. She has come from a similar role in a Doncaster school, and we are looking forward to having lovely meals prepared on the premises again.

I would also like to let you know that there has been strong interest in the headteacher post. We have shown round 6 candidates with good school leadership experience. Applications close on 6th April, shortlisting is on 13 April and interviews will take place over 2 days on 21 and 22 April.

I would like to close by thanking parents and carers for all their support over the spring term, and wish you all an enjoyable easter break.

Kind regards

John Birch
