

Dear Parents & Carers,

As you are all aware Mr Birch is retiring at the end of this academic year. In order to recruit his successor, the Governing Body has completed a robust recruitment process in line with the Safer Recruitment directive of Nottinghamshire County Council, and with the support of a Local Authority Expert Advisor to help guide us through the process.

We had many applicants and had two long days to complete the interview process for the shortlisted candidates.

We are now delighted to be in the position to officially announce the appointment to the post of Headteacher at Misson Primary School. We extend our congratulations and a warm welcome to Mrs Emma Rodgers.

Mrs Rodgers is an experienced Headteacher in a wide variety of schools and education provision. The Governing Body, and the school team are excited to have her join us.

While Mrs Rodgers is working her notice period in her current post, she will be in school when she can over the next few weeks. She will be happy to meet you at upcoming school events, and she will also take these opportunities to meet and get to know the children.

I would like to close by thanking parents and carers for all their support over the summer term so far, and we are looking forward to the next exciting phase for Misson Primary School.

Yours sincerely

Ann Cotterhill

Chair of Governors and on behalf of the Full Governing Body
