

Misson Primary School

You already have your wings, we will help you fly

Dear Parents and Carers

I am writing to let you know that Mrs Mitchell, will be leaving Misson after 15 years of exceptional service to our school community to take up the post of Operations Manager at Armthorpe Academy.

During her time here, she has been truly invaluable. Not only has she carried out her role with dedication and professionalism, but she has also thrown herself wholeheartedly into every aspect of school life. From organising projects and fundraising events to serving as a committed school governor, she has always gone above and beyond for the benefit of our children and families.

She is extremely well loved by staff, parents, governors, and, most importantly, by the children. Her warmth, energy, and unwavering positivity have made her a much admired and central part of the Misson family, and her absence will be felt deeply by us all.

We are incredibly grateful for everything she has contributed over the years, and while we will miss her greatly, I am sure you will want to join us in wishing her every happiness and success in her new role before she leaves us on Friday 19 June.

John Birch
